If your children have difficulties in learning, be it a result of

Behavioral Issues, Lack of Concentration OR Processing Problems

We will show you ways to help your kids learn better and faster

In this seminar, you will learn about the 3 most powerful teaching methods:

(1) Behavior Management, (2) Direct Instruction and **(3) Precision Teaching.**

More than **50,000 children worldwide** have benefited from it and learned reading, writing, spelling and math well.

These students include:

- **Normal kids fallen behind peers** due to academic, family or personal issues
- Children with **Autism, Asperger** or **on the spectrum**
- Kids with **ADD, ADHD, Dyslexia**, and other **Learning issues**

Who Should Attend

- Parents whose children are having some learning difficulties
- Parents or/and caregivers of special needs children
- Teachers and educators
- Professionals working with special needs kids
- Social welfare workers.
